

The STM Blessing of the Animals Left Paw Prints On Our Hearts!

*A big THANK YOU to the Secular Franciscans for the Blessing of the Animals event Oct. 7, and to Father Martin for blessing our furry friends! And thanks to the STM Choir for providing the music. Woof! Woof! It was an excellent turnout.*

SECULAR FRANCISCANS MAKE PRESENTATION TO OUR DIVINE SAVIOR Father Martin was dismayed to learn that a statue at ODS apparently “grew legs and walked away.” When he shared this with St. Thomas More, Greg Kidder & the Secular Franciscans jumped into action. Greg shared that we had two statues that made it through the fire, offering one to ODS to replace the one that “walked away.” The Secular Franciscans, led by Larry Ahumada, worked around the Blessing of the Animals event at ODS, and in collaboration with the Care for God’s Creation Ministry there, have placed the St. Francis statue in a prominent location in the garden at ODS.
