

How to Watch

Registrants Only:

If you simply registered to watch this free study, remember that you can go to stpaulcenter.com/streaming to watch the first two episodes right now! Every week two new episodes will be added. However, the previous week's episodes will disappear. To ensure that you can watch all episodes as they are added even if you miss a week, please create a free account.

For those who create a free account on our site, the lessons won't come down during Lent, so you can watch the lessons as many times as you want until April 16th. [Click here to create an account.](#)

If you already have an account with us, go to my.stpaulcenter.com and log in with your email and password. Alternatively, you may login to stpaulcenter.com and click on "My Videos" in the upper menu. You can access all the videos here throughout Lent.
