## ***Registration***

Welcome to *HOLY IS HIS NAME*. In twelve beautifully produced lessons by Scott Hahn, this study explores the Scriptural encounters with the Divine – the burning bush, the ark of the covenant, the burning coal, and more! As our fear and trembling turns to awe and wonder, you'll come to a new appreciation of our sharing in the divine life.

This Bible study is designed to help ordinary Catholics grow in their knowledge of Scripture while deepening their understanding of the riches of our faith.

*HOLY IS HIS NAME* features a wealth of information in both the videos and Study Guide. It offers Bible students much that is new. Discussion questions range in difficulty and can easily be tailored for different ages and experience levels.

All sessions (90 minute sessions) will be offered at STM Church on either Tuesdays at 6:00 pm (preceded by a potluck at 5:30) or on Wednesdays at 10:00 am including light refreshments. A free study guide will be provided for all those who register. All participants are encouraged to read the first lesson and answer a few questions at the end of the lesson before the first session.
